With your generous support, we:

In 2018, we partnered with 382 women and children in the Twin Cities. In our early childhood education centers, 82% of our children were at or above age-appropriate development benchmarks. Surveyed graduate moms left Jeremiah Program earning an average of $22.25/hour ($46,280/year).

We welcomed our new Executive Director, La Juana Whitmore, in July, who brings a wealth of both business and nonprofit experience. Thanks to a group of volunteer consultants from Optum, we redesigned our life skills programming with direct input from Jeremiah moms, including a new curriculum covering topics mothers find most relevant to their day-to-day lives.

“"I am in awe and proud of the life I have created for my son and me. I am filled with joy to be living the life I now get to live. I have broken the cycle in so many ways, and my son is a living example of that. He is growing up feeling loved, valued, safe and empowered. Jeremiah helped me see that and I taught him that myself.”
